

The BlackBerry Internet Solution from C&W Jersey Service Specific Terms and Conditions

The BlackBerry Internet Solution from C&W Jersey provides access to the Internet and email via a bespoke handheld device, known as a BlackBerry®. It is a secure and reliable solution that delivers mobile email and Internet access using a BlackBerry Wireless Handheld™ and the C&W Jersey GPRS network, hence allowing users to access and manage their email inbox when away from a computer.

This service requires the purchase of a BlackBerry Wireless Handheld from Us and an annual contract with a monthly subscription charge at the rate published in Our Price List at www.surecw.com. The BlackBerry Internet Solution refers to the product offering sold to an individual and which enables users to stay in touch with Internet based personal email accounts provided that such accounts are compatible (the 'BlackBerry Internet Solution').

The BlackBerry Internet Service includes unlimited data while in the Channel Islands. In addition You can use the BlackBerry Wireless Handheld to make Calls or send SMS at rates published in Our Price List at www.surecw.com.

As an optional facility the BlackBerry Internet Solution may be added to Your existing C&W Jersey SIM in the case of a C&W Post Pay customer such that You use only one mobile device, which must be the BlackBerry Wireless Handheld. Both the contract for Post Pay voice services and the contract for the BlackBerry Internet Solution will then apply to one SIM and one MSISDN. The supply of services under the existing Post Pay Mobile Service will not be affected by the addition of the BlackBerry Internet Solution, except for Your opportunity to benefit from double handset subsidies.

Where there is conflict these Service Specific Terms and Conditions supersede the General Terms and Conditions and/or the Pay Monthly Mobile Service Specific Terms and Conditions.
